

Here are the Powershop rates for residential customers in this network area. Our rates vary depending on where you live, which pricing option you are on, how much electricity you use and how your meter is set up. Rates include government levies and GST. **Not all power companies include GST in their rates - so if you're making a comparison, you may need to add 15% to theirs!**

*You are a Low User if you use less than 8,000 kWh of electricity per year in your main home in this network area.

**Special rates are the rates you effectively pay if you are on our Powershop Classic option and you buy your monthly Staying Power and the extra-special Specials we offer from time to time. This doesn't include the savings you can get from buying Future Packs and our regular fixed-price Special Packs.

***Standard Power is the standard rate you are charged for your power if you are on our Powershop Classic option and don't buy Special Packs. Special Packs are discounted off Standard Power rates.

Rates shown are correct and current as at 1 April 2022, but will change over time.

Any rounding has been applied to above calculations for display purposes only.
