(Buller Electricity Network)

1 April 2021

Here are the Powershop rates for residential customers in this network area. Our rates vary depending on where you live, which pricing option you are on, how much electricity you use and how your meter is set up. Rates include government levies and GST.

**Not all power companies include GST in their rates - so if you're making a comparison, you may need to add 15% to theirs!**
