

## Win a Year's Worth of Free Power Prize Draw - Terms and Conditions

Be in to WIN a year's worth of free power just by switching a mate to Powershop. The more mates you successfully switch the more entries you get into the draw.

### The Prize:

The winner will receive a year's worth of free power on us for them and their mate. The Powershop customer and their mate will each receive:

- Total of \$2180 Powershop credit

The \$2180 will be credited to the winners' Powershop accounts in twelve payments:

- \$137 per month in summer (January – February , December)
- \$180 per month in autumn (March - May)
- \$235 per month in winter (June - August)
- \$175 per month in spring (September - November)

These will be paid monthly, as near as possible to the 15th of each month, beginning on 15 May 2023 and ending on 15 April 2024.

A year's worth of free power with Powershop is valued at \$2180 and this amount is based on the average amount Powershop customers spent over the 12 month period from 1 April 2022 to 31 March 2023.

Any unused credit each month will accumulate and will carry-over for use in following months.

If the winner's power cost is higher than the available prize credit in their account at the end of any account period, they will be required to pay the balance of their account by the due date shown on their account review.

For Shopper customers, the credit will be available in your account for the purchase of powerpacks. To make your Powershop credit last longer you can purchase all the Specials and Future Packs. If you choose not to purchase powerpacks your credit will be used to cover the cost of the power we purchase on your behalf at your account review.

### Eligibility to enter and to win:

The promotion runs from 13 March 2023 until 30 April 2023 (the Promotional Period).

One entry per residential customer account only for each mate successfully switched to Powershop – the more mates you switch, the more entries you get.

### To enter the 'Win a Years Free Power' Switch Your Mate prize draw, you must:

- be over 18 and a New Zealand resident;
- be a natural person (i.e. not a business or other entity);
- be a Powershop residential customer;
- refer a friend (who is not already a Powershop customer) via the 'Switch Your Mates' function in the Powershop mobile app or web app between 13 March 2023 to 30 April 2023. The friend referred will need to successfully complete their switch to Powershop by 10 May 2023. The 'Switch Your Mates' Terms and Conditions (available at [www.powershop.co.nz/terms-and-conditions/](http://www.powershop.co.nz/terms-and-conditions/)) apply in conjunction with these terms and conditions.

### How winners will be selected:

One winning entry will be drawn at random on 10 May from qualifying entries. The winner will be notified within five business days by phone or email (using their Powershop contact details).

If a Powershop customer successfully switches in more than one mate during the promotional period, only the friend of the winning referral will win. The winner cannot choose which mate receives the \$2180 Powershop credit if they have more than one successful switch in.

In the event that we cannot contact the winner within 5 working days of the prize draw, that winner will forfeit the prize and Powershop will conduct a redraw.
